

Have you ever seen a wedding so beautiful you started crying? Well, I wept my heart out for today's sweetest wedding in Florence planned by [Wedding Italy](#). Captured by [David Bastianoni](#), every part and every bit of this romantic union is swoon-worthy! Aside from the astonishing view + equally gorgeous couple, the most enchanting al fresco wedding reception bursting with lights and roses, thanks to LC Light and Decor and [Florum Decorazioni Floreali](#), is not to miss. Believe me, this one is a must-see!
