Florence Wedding by Marisa Holmes Photography + Elysium

EMILIA JANE MCCOOL • JANUARY 10, 2011

Buon Giorno! We are starting off this magical Monday with a romantic beauty all the way from Florence, Italy. [Marisa Holmes'](#) photographs, which are like little fairytales themselves, are more whimsical than ever with Italy as their dreamy backdrop. The rest of the details pretty much sum up exactly how I imagine an enchanted European wedding to be, in a true life castle no less. The [full gallery](#) is bursting with more elegant and exquisite inspiration!

A Disney Princess Inspired Wedding at Castello Di Celsa in Siena, Italy

LAUREN MEGERDICHIAN • SEPTEMBER 11, 2020

Judging by the title, you know this is going to be good. All you romantic brides, prepare to fall head over heels in love with today's storybook princess wedding in Siena. [Wedding Italy](#) brought the couple's modern day fairytale vision to life, complete with old world elements around a palette of blush tones, hints of grey and neutrals, with old accents and lots of greenery. To see all the magic this day has to offer, including [Tuscany Flowers'](#) enchanting floral arrangements, head on over to the [full gallery](#) - all taken by [Lace and Luce!](#)
